Lushai Hills 3, North Cachar 5, Naga Hills 4, 5, and Garo Hills 5.—Not censused; but an estimate was formed.

Lushai Hills 6, 7.—Variation not given, as the omission of the Lushai Hills from the censuses of 1881 and 1891 makes it impossible to draw any comparison.

Manipur 2, 11, 15.—Census papers destroyed in the fire.

Lushai Hills 4, 5, 12, 13, 16, and 17.—Manipur 5, 13, 17.—Not censused.

Total Hill Districts 6, 7, 8, and 9.—Variation is calculated on the four districts which were censused.

Total Province 6, 7, 8, 9.—The total variation for the province represents the sum total of the variation for the different districts, and not the difference between the Provincial Population at the two censuses, as the omission of the Lushai Hills from all previous censuses and of Manipur from those of 1891 and 1872 would render any comparison between provincial totals misleading.

The figures shown for 1891 and previous years do not, as a rule, agree with those shown in previous Census Reports, as adjustments of population have been made in consequence of the alteration of boundaries in all districts, except Sylhet, Kamrup, Lakhimpur, and the Lushai Hills.

The totals for the province do not even agree, as the Mokokchung subdivision was added between 1881 and 1891 and a small area containing 460 persons transferred from Bengal to Goalpara between 1891 and 1901. The figures have been prepared on the assumption that the boundaries of the province and each district were the same in 1872 and subsequent years as they are now, with the exception of the Lushai Hills, for which no variation has been struck, as they have been now censused for the first time.

TABLE XIII.

Caste, Tribe, Race or Nationality.

REMARKS.

Some of the names of castes shown in this table are the names, not of castes, but of sub-castes, and even are titles. In these cases the true castes of the persons concerned could not be ascertained. The totals for each caste are shown under the religion to which the great majority of the members belong. The number of persons who have returned religions other than the main one are shown in the foot-notes.
